

Dear Parents/Guardians,

I hope you are all keeping well.

For this week's catechism lessons, we would like you to read Mathew 13:1-9. This reading is the Parable of the Sower.

After this, please watch the video, which is a reflection on this parable.

For this week's activity, we would like you to make instant chocolate pudding. You can buy the powder at the shops and mix it with milk.

This pudding represents the soil in the parable.

We would like you to make four pot of pudding representing the four kinds of soil that the seeds landed in. Please decorate each pot to represent a different kind of soil. You can use anything edible to decorate them. There will be a prize for the best decorated ones.

The seeds that landed on the hard pathway (biscuit). The birds came and ate these seeds.

The seeds in the rocky soil.

The seeds that fell among the thorns.

The seeds that landed in the rich soil and produced much fruit.
